Subject: Re: Montana DEQ Enforcement Activities at Columbia Falls Aluminum

Hey Joe,

Thanks. We still need to talk sometime. I'm on leave today and traveling to Gilt Edge Monday then on to Denver Monday night.

I'm sure we'll hook up sometime.

Mike

Hi, Mike:

I'm just forwarding a couple of emails related to Montana DEQ enforcement at Columbia Falls Aluminum. Montana DEQ used this effort initially to try to get Columbia Falls Aluminum to agree to a larger investigation and cleanup of the facility. When those negotiations fell through, however, the state agreed to pursue federal Superfund listing for the site and limit their enforcement to removal of the spent potliners.

Thank you,

Joe
